

Hollis Elementary PTA
“Legacy of Learning”
First Annual Auction & Tapas Night
On-line auction: March 21-28, 2008
Live auction: March 29, 2008 6:00pm
Nashua Country Club

Our Fundraising Goal: \$30,000.00!!!

Why So Much?

In addition to Destination Imagination® and the many grade level enrichment programs the PTA annually provides to our elementary school children, we have some new initiatives we would like begin funding! Check out our website (www.hollis.k12.nh.us/hepta) for information on the great programs already funded by the PTA as well as ideas for new programs that include **Infrared Audio Enhancement Systems** and the **Orff Musical System**.

This year, the Auction & Tapas Night is the PRIMARY PTA fundraiser! Instead of the magazine drive, gift wrap sales, etc. that have been conducted in the past, this will be the **main fundraising effort** with which to continue to support the enrichment programs in our schools.
